ARASA Award Projected in October

Fluor Daniel Fernald anticipates receiving necessary concurrences and awarding the Alternative Remedial Action Subcontracting Approach (ARASA) subcontract in late October. The ARASA subcontractor will be responsible for excavating the Fernald waste pits and surrounding contaminated soils, processing the waste materials, and loading the processed waste into rail cars for shipment to a permitted commercial disposal facility.

Paddys Run Embankment Underway

Within the next two to three weeks, Phase I of the Paddys Run Embankment Project will begin. This project involves removing tree stumps from Paddys Run creek, pushing trees to the west wooded area out of the creek bed, and removing large trees from the top of the embankment.

North Access Road Progress

Progress continues on the North Access Road. Final paving and striping of the road are almost complete and shoulder work and restoration are underway. The road is scheduled to open in late October.

Trestle Upgrades

Upgrades to the Okeana train trestle will be completed during the week of Oct. 13. Upgrades to the Paddy's Run trestle will be completed by Oct. 20.

October Cleanup Progress Briefing to Feature Tour of Major Cleanup Projects

The Oct. 14 Cleanup Progress Briefing will feature a bus tour of Fernald's major cleanup projects. The tour bus will leave from the Alpha Building promptly at 6:05 p.m. and return at approximately 8:30 p.m. For more information about the tour, please contact Jeanie Foster, Fernald Visitors Bureau, 513-648-5883.

Citizens Advisory Board Meetings to be Held in October

- **The Waste Management Committee** will meet Monday, Oct. 20, at 7 p.m., in the Jamtek Building, 10845 Hamilton-Cleves Highway. The focus of the meeting will be the status of the *Draft Silo 3 Waste Project Request For Proposal*.
